THANK YOU ATE & KUYA

We are grateful for our staff. Their hard work keeps our school clean, safe, and welcoming. Though often unnoticed, they play a key role in keeping everything running smoothly, and we truly appreciate all they do.

FOOD HIGHLIGHTS

FUN IN THE KITCHEN

Recently, our kids have started a new activity where they create simple snacks. This helps them learn important skills, exposes them to the kitchen, and teaches them how to prepare simple meals to share with their friends.
