**The teachers and students are as close as friends.**

First of all, the teachers are all very kind. Also, the hotel is very close to the school, so I can sleep until the last minute. I would recommend it! The teachers and staff are close to the students, so if you enjoy communication, I think you'll have a lot of fun!

**I had many special experiences.**

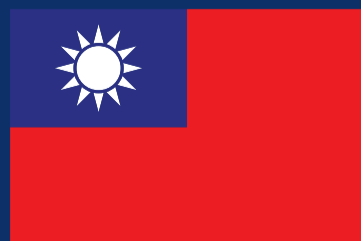

Thank you, my classmates and the teachers. I'm very happy to be here. I've learned a lot of English from many people in the cities because the teachers always teach me something new. Now, I know how to take a bus and ride a jeepney. It's truly special, and I really like it here.
