3 Managing Junior Students for About 20 years

CIJ started its English Camp in 2003. We have gained extensive experience with systematic student management and smooth communication with guardians.

5 Exciting Outdoor Activities

Every Wednesday, students get to experience various and exciting outdoor activities. Students can fully enjoy Cebu, a world-class tourist destination.

2 Complete Resort Type Campus

A beautiful environment, clean dormitories, and excellent facilities. It's like you are on vacation!

4 Thorough Safety Delicate health Care

The 24-hour guard provides guidance and protection. He thoroughly controls who can enter or leave the camp as well as ensuring residents take individual nutritional supplements and medicines.

“About 20 years of knowhow in supervising junior students management is carried out through a systematic system.”

Safety System

CIJ's Camp is safe and secure. Staff and students are given safety Education. People can only enter through the front gate, where a security guard is on duty 24hours a day.

Weakness Cure System

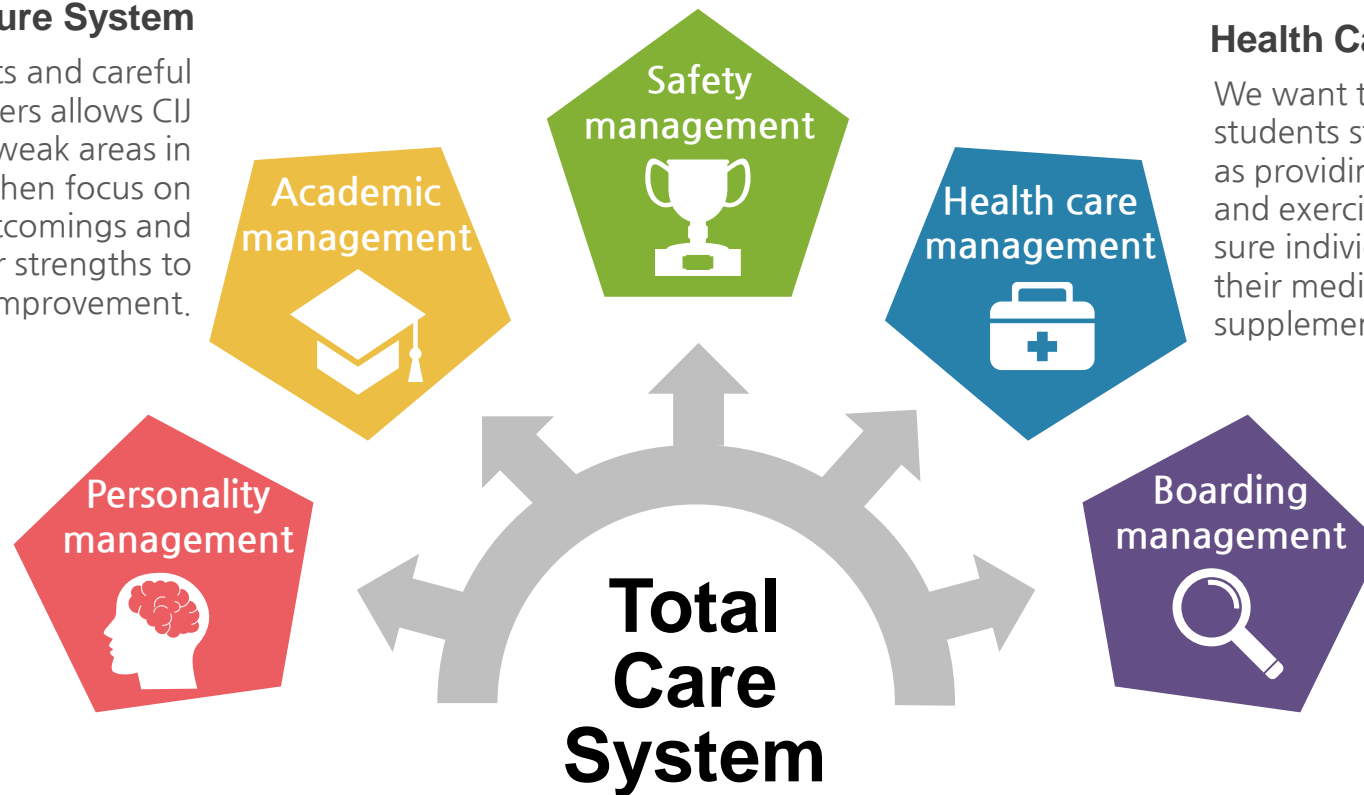

Weekly level tests and careful analysis by our teachers allows CIJ to find students' weak areas in English. We can then focus on these shortcomings and maximize their strengths to ensure improvement.

Health Care System

We want to make sure our students stay healthy. As well as providing nutritious food and exercise, we also make sure individual students take their medicines and supplements.

Mentoring System

Korean teachers carefully mentor our students, guiding the development of their character by emphasizing values such as cooperation and achievement.

Every1 Care System

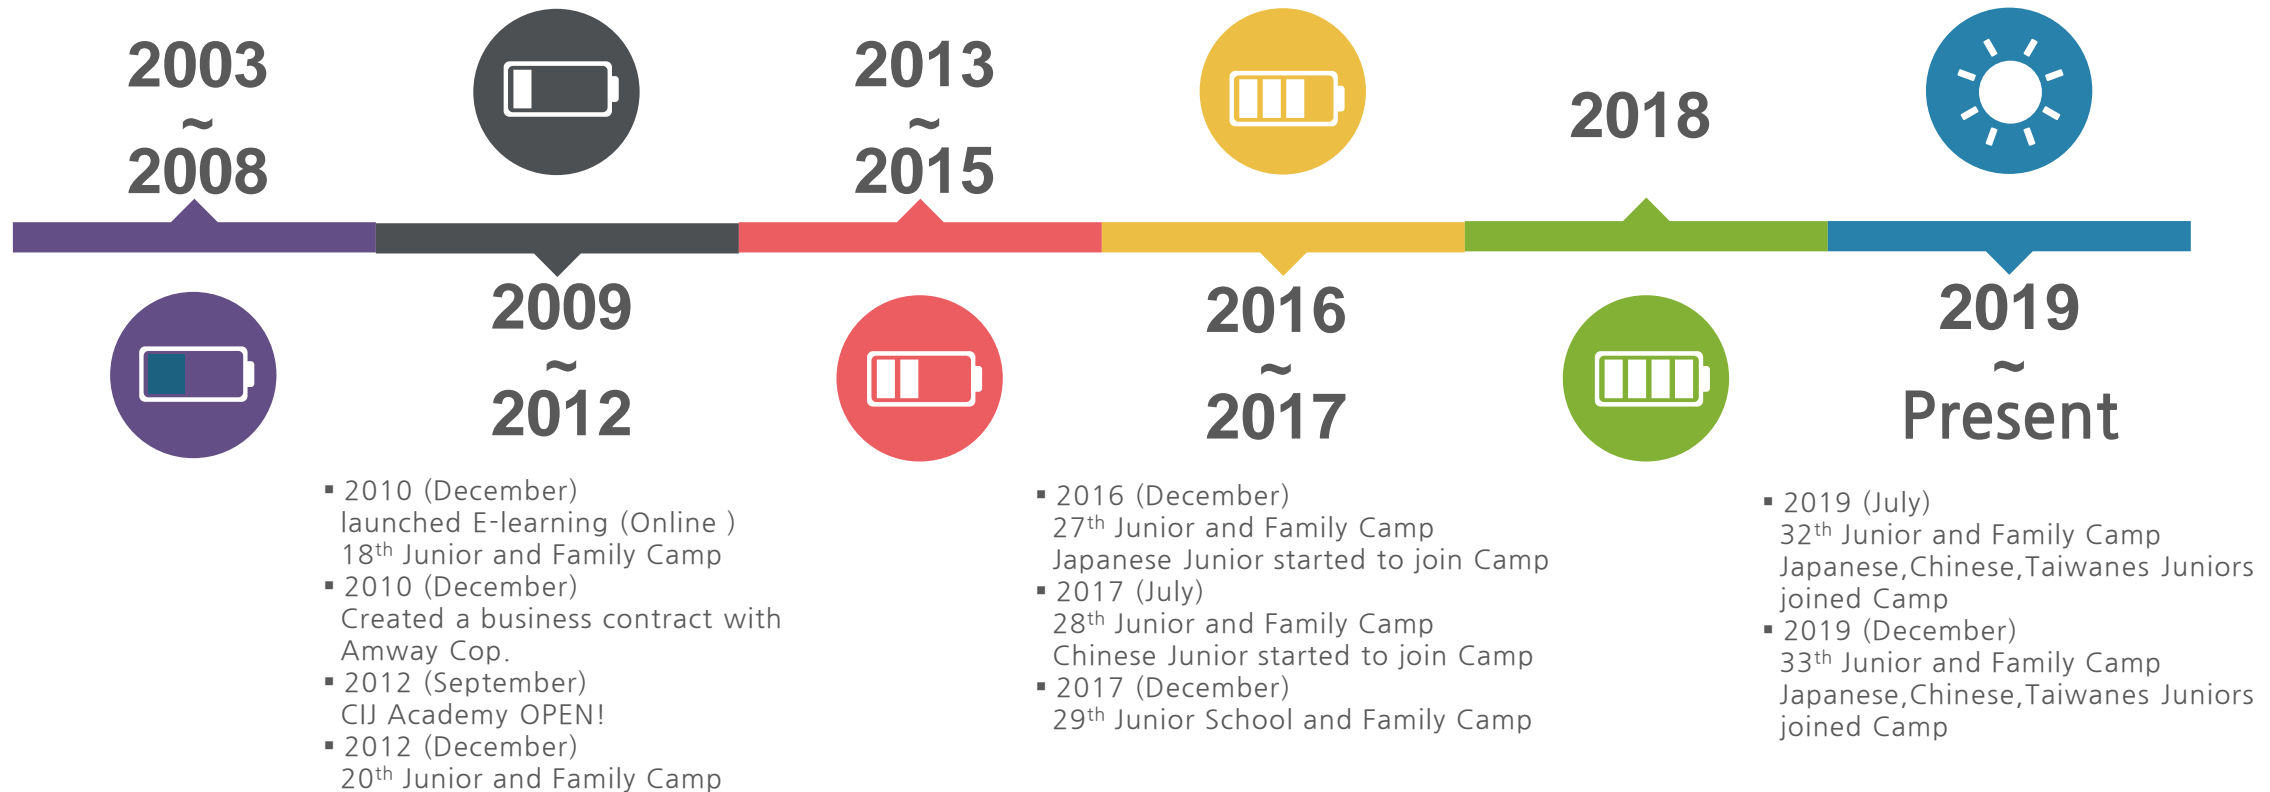

Through the "Every1 care system" CIJ Camp carefully monitors our students' lives. Our teachers' and staffs' first priority is to make sure our students are well taken care of.

WITH CIJ ENGLISH CAMP

CIJ English Camp is located in Liloan City, a quiet and safe suburb of Cebu City. The campus looks and feels like a resort: you can see the ocean horizon right in front of the campus. The campus grounds are beautifully landscaped, with palm trees and various tropical plants combined with a wide, lush lawn. The campus doesn't feel like a school – it feels like you're on vacation!

There are two clean and spacious swimming pools in the campsite. A professional swimming pool manager disinfects and monitors them every day, so they are always fresh and clean. To ensure safety and prevent accidents, a Korean teacher acts as a lifeguard, ensuring that students are safe and behave properly in the pools.

The campus has specialized lecture rooms for each teacher, so that students can concentrate on classes in a pleasant environment. When needed, CIJ School provides students with high-concentration classes in specific areas of English. These classes are taught by teachers who specialize in those specific areas of English. To promote rapid learning, we have also created a strict "Only English Zone" in classrooms, where students are only allowed to use English.

The spacious and clean Dining offers not only quality meals

to Junior students.

In addition to regular meals, CIJ School offers an optional snack program, where students are given a variety of healthy snacks, including tropical fruit. These are provided everyday in the evening.

On every activity day (Saturday), after activities, students are taken out to eat a variety of foods such as Chinese food and Western food. These foods are difficult to prepare at camp, so going out adds variety and enjoyment to students' lives.
